Hi Gail,

I have attached four workplans and the revised PARs for 2017 that the management team here is using. Let me know if you have any questions. Thanks, Dee

Thanks Dee. I forgot all the PARS are the same – I'll just use the one from my Planning Unit detail so don't bother sending yours. The work plan will be helpful though.

Hi Dee – When you have a chance could you send me a copy of your FY16 PARS agreement? It sounds like there might be some changes for the upcoming year, but I thought it might be helpful for setting mine up. Thanks!
